LIGURIA TABLE-TOP PASTA COOKER

COMPACT AND EFFICIENT

Simple and effective power adjustment thanks to the pulse regulator. The heating power can therefore be continuously adapted, even when the water is already boiling.

Its strong heating power in a compact volume enables fast heating.

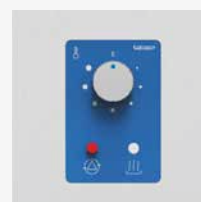

Contentance (litres)	20
Dimensions (mm)	
Length	344
Depth	575
Height	315
Gross weight (kg)	17
